There will be a few changes to registration for Beatty ES for 2024-2025 school year.

The first one will be “Temporary Placement” in kindergarten classrooms. We have found over the last few years, that our kindergarten classrooms are very difficult to build cohesive classrooms due to lack of relationships with the students who are all new to Beatty. Kindergarten teachers will work with all enrolled students during the first seven days of school and then administration and kindergarten teachers will build the cohesive permanent classrooms. Notification of permanent placement will be sent home on Friday, August 23, 2024. The permanent classrooms will begin on Monday, August 26, 2024.

The second one is the elimination of “teacher requests”. Please note that we will work with your child’s current teacher to place your child and build cohesive classrooms that ensure that classes are balanced in relation to ability levels, behavior, special education, gender, etc.

If you have a child or children that attends Beatty ES on a Shared Housing status and you wish to apply for Shared Housing status for the next school year, the district has included this as a part of the online registration process that you will complete through Infinite Campus. Your Shared Housing status will be processed and approved through the Education Service Division of CCSD.

All documentation, along with your completed online registration, is due by email: [jbeatty460@gmail.com](mailto:jbeatty460@gmail.com), no later than **May 10, 2024**. Finally, please remember that your child **WILL NOT** be assigned to a class until all documents are completed online and emailed to <mailto:jbeatty460@gmail.com>. Your child's class assignment /room number will be mailed to you during the month of July.

All enclosed information and a suggested supply list can be found on [www.beattyes.com](http://www.beattyes.com). Thank you for your continued cooperation and support.

Educationally yours,

Jennifer Lepore
