*** Please keep any “fancy” supplies you wish to purchase for your child at home. In class, students will be required to use classroom supplies. *Thank you for your understanding in this matter****

The Clark County School District provides necessary materials necessary for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy school supplies for their child. Should you decide to do this, these are the items that would be appropriate for your child's grade level.
