- a. **Registration for 2021/22 school year**
-Registration will be completed by email. Parents have the option to select face to face instruction or distance learning. There is a specific protocol in place for distance learning.
- b. **Face to face instruction: How is it going and any ideas or suggestions?**
-The consensus is that kids are very happy to be back. Some parents are saying that students in distance learning are getting less time with learning and their teacher.
-Summer school will be beginning on June 1st for the entire month. Every child is eligible to attend. Students will not receive grades in elementary school.

- c. Promotions for K and 5th grade
 - Both Kindergarten and 5th grade will be participating in an live stream promotion as long as they have submitted an internet form. We are waiting for more information about how many observers are allowed to see their child in person. 5th grade is scheduled for Monday, May 24th. Kindergarten has not been scheduled yet. Question was asked if outdoor promotion would be an option. A suggestion was made in regards to enabling students to see each other while they are participating in their promotion.
- d. Field day: This year will be different due to Covid restrictions.
 - Field day will happen the Friday before school is out with some fun and Covid safe activities. T-shirts forms have been sent out to parents. PTA will provide water for the event.
- e. Hiring process for next year
 - We need to hire a couple positions for 5th grade. There is some shuffling around of teachers and some teachers leaving next year. We also have our P.E. teacher retiring at the end of this school year.
 - Question was asked about kids wearing masks all day or outside. Lepore explained that students are allowed to take off masks if they are actively moving at lunch/ recess or P.E.

- 4. **Next Meeting** - May 10 or 17?
 - Next meeting will be on May 17th.
